Note of Thanks – Military Family Ski Day

To Whom it May Concern,

I apologize for sending this note to the generic “info” mailbox but I don’t know who it should go to so I hope whoever gets this can route it properly.

I am writing this quick note to simply thank Canada Company and the Calabogie Ski Resort for putting together the Military Family Ski Day this past Friday.

I had never had the chance to participate in any such event with my family but had the opportunity to be a part of this one and I found it amazing. Just seeing so many military members with their families having fun and being welcomed by the staff and supporters was an experience in and of itself.

I don’t know who sponsored it all but I’d very much appreciate if you could please send my personal thanks to them for taking such good care of my family and the extended military family via this event, and everything Canada Company does in our communities. It is very much appreciated.

Thanks again and if there’s anything a serving member can do to help out, please let me know.
