

I Remember

An Educational Program

Did you know that...

Quebec has the worst graduation rate in Canada?

Only 64% of public system students graduate in five years.

Did you know that...

In Quebec, 1 in 4 teachers quit teaching...

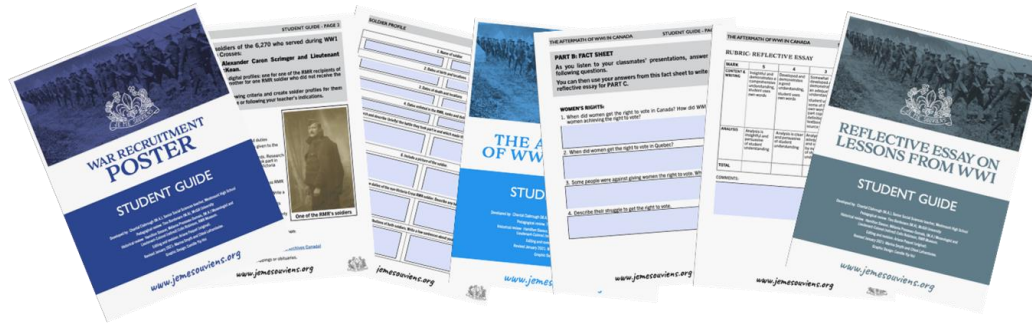

within 5 years of starting?

How I Remember can help:

We offer tools that make learning more interesting

- **Uniform replicas**

JMS (I Remember) in a nutshell

- Free educational tools (history program)
- Helping students better understand Quebec's role in armed conflicts (from World War I to Afghanistan)

What's next for I Remember?

Stay tuned, there's a lot more to come!

Founding partners

JMS (I Remember) has so far been funded by private funds, individuals, foundations and corporations that want to ensure that the contributions of Canadians, and the values defended by a nation at war, are not forgotten.
