Dear Mr. Goldring,

I am incredibly honored and grateful to receive the Canada Company bursary. Thank you for your generous contribution, which will contribute to my certification as an aircraft maintenance engineer at the British Columbia institute of technology, pushing me a step closer to my dream of enrolling in the Canadian Armed Forces and serving as an aviation systems technician.

As I transition from cadets to post-secondary school and the forces, I will continue to lead, motivate, serve and inspire the people around me.

Thank you for your support.

Sincerely,

Good day! My name is Zachary Ings, I am from Dartmouth, NS and I am currently in my first year at UPEI for the bachelor of Music degree.

First off, I would like to thank you for the opportunity to invest into my education with the scholarship offer of \$1000. Being a recipient really does mean a lot to me, and I was very gracious to even be considered! I know while saving up for university that every dollar counts, so again, I would really like to thank you for the opportunity.

A bit about myself:

Ever since I was a child, I had always known that I would have liked to have some kind of career with music, but not knowing what exactly.

My late maternal grandfather was a musician, a percussionist, and played in many different pubs and bars, until he developed alzheimers, and eventually passed away. I had never really gotten to know him, but I had always heard stories of how wonderful of a musician he was, and I receive remarks all of the time of how much I reminded everybody of him, as I am a percussionist as well.

In 2016 I had decided to join 18 Dartmouth Royal Canadian Air Cadets, and joined their band as one of their newest percussionists. Throughout the years within the cadet program, I had grown not only as a musician, but as a leader as well. Throughout the program, music wise, I had attended 3 different summer camps relating to music as a course cadet, staffed the music program at CTC Argonaut in 2022, as well as countless nights and weekends dedicating myself primarily for their music program.

This summer was certainly an unexpected summer to say the least! I was selected as a staff cadet last minute at CTC Argonaut in Oromocto NB. I certainly enjoyed my time at the CTC. This summer was mainly about adapting to new situations. With the course cadets unable to come for the first serial of the summer training, we had to adapt the summer training curriculum to an online format. Although this was not the easiest task, we were still able to manage. With staffing the music course, we were able to provide private lessons for the course cadets, as well we were able to teach online theory, as well as assess the cadets for their theory and playing. This summer I was also lucky enough to be the recipient of the Order of St George medal as one of the top staff cadets at the CTC.

When covid hit, I had taken this as an opportunity to be able to learn a new instrument, the Baritone Saxophone. While this may not be my instrument of focus, I do see in the regard that I do have the determination to become more musically inclined, and expand my musical knowledge as much as I can.

As I had recently finished up with the cadet program as a cadet in August 2022, I do plan to continue working with the cadet program. I am currently in the process of becoming a CI, and I hope to continue working with the unit's band. .

With receiving the scholarship offer, you are helping me get one step closer to my goal of becoming a music teacher, and I would like to thank you once again for this opportunity, and I really hope you take care as well!

Dear Mr. Goldring,

RE: Cadets and Junior Canadian Rangers Bursary Program Award 2021

I would like to sincerely thank you, and Canada Company for this amazing award, and bursary of 1000 dollars.

I am extraordinarily proud and honored to be one of the Army Cadets to be given this prestigious award. I feel I owe any success to being part of such a tremendous organisation and the wonderful cadets I have had the pleasure of working with.

My ambition is to join the Canadian Armed Forces and this generous award will greatly help me reach that goal.

Yours sincerely,

MWO Rhys Besson

Dear 2nd Canadian Ranger Patrol Group & Canada Company,

I was happy to learn that I was a recipient of a 2020 Canada Company Cadets and Junior Canadian Rangers bursary. I am writing to thank you for your generous, financial support towards my higher education.

I am currently in 12th grade and plan to graduate in spring of 2021.

I am currently a part-time worker at a local Coop-Hotel. Upon graduation, I will take my part and go to college to further my education.

By awarding me the recipient of the Canada Company cadets, I will be able to focus my education and put all my energy into doing well in my classes.

Your generosity is allowing me to make my goal and dreams a reality. I hope in turn one day I'll be able to give back and help other students achieve their goals.

Sincerely,

Manon Chamber land
